

CORE 3 TECHNOLOGIES NAMED ONE OF ORANGE COUNTY'S FASTEST GROWING PRIVATE COMPANIES BY THE ORANGE COUNTY BUSINESS JOURNAL

Value Added Distributor Records 2014 Revenue of \$27.4 million — an Increase of 115%

IRVINE, CA – (September 24, 2015) – Core 3 Technologies, an industry-leading value added distributor, has been named to *Orange County Business Journal's* list of fastest growing private companies. Compiled annually, the list identifies, recognizes and honors Orange County's top privately-held businesses by revenue growth over last 24 months. Core 3 Technologies placed 33rd among mid-sized companies, recognized for two-years' sales growth of 86.8% and a 42% increase in workforce.

"It's always great to be recognized as a fast growing company, but we take special pleasure in the fact that this list is born from our backyard. Orange County is home to the majority of our employees, so we are honored for the privilege to be ranked on the Journal's meaningful list. The listing validates the hard work, passion, dedication and focus of everyone at Core 3 Technologies," said Chris Bergen, Managing Partner of Core 3 Technologies. "This award, along with other recent recognitions such our back-to-back Inc. 5000 awards, continues to solidify our position as an industry-leading value added distributor."

In addition to the *Orange County Business Journal* ranking, Core 3 Technologies was also recently ranked on the Inc. 5000 list, *Inc.* magazine's annual ranking of America's fastest-growing private companies, for the second year in a row.

About Core 3 Technologies

Core 3 Technologies is a leading value-added distributor of high-end networking products. Over the last five years, Core 3 has grown from four to 35 employees across its headquarters and West Coast distribution center in Irvine, an East Coast distribution center in Morristown, NJ, and offices located in Los Angeles, Phoenix, San Francisco, and New Jersey. The company was listed on the Inc. 5000 list last year and has been named among the Best Places to Work in Orange County. For more information on Core 3 Technologies, visit www.core3tech.com.
