***Inc. Magazine Unveils 33rd Annual List of
America's Fastest-Growing Private Companies—the Inc. 5000***

*Core 3 Technologies Ranks No. 2469 on the 2014 Inc. 5000
with Three-Year Sales Growth of 155%*

NEW YORK, August 20, 2014 -- *Inc.* magazine today ranked Core 3 Technologies NO. 2469 on its 33rd annual Inc. 500|5000, an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy—America's independent entrepreneurs. Companies such as Yelp, Pandora, Timberland, Dell, Domino's Pizza, LinkedIn, Zillow, and many other well-known names gained early exposure as members of the Inc. 500|5000.

"Core 3 continues to garner awards and recognition from influencers like *Inc.* that solidifies our position as an industry-leading value added distributor," said Chris Bergen, managing partner - Core 3 Technologies. "To be named one of America's Fastest-Growing Private Companies by *Inc.* along many other prestigious brands is a huge accomplishment that the entire Core 3 team is proud of."

The 2014 Inc. 5000, unveiled online at Inc.com and with the top 500 companies featured in the September issue of *Inc.* (available on newsstands August 20 to November 30), is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year growth of 516%. The Inc. 5000's aggregate revenue is \$211 billion, generating 505,000 jobs over the past three years. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000.

"What surprises me, even though I know it's coming, is the sheer variety of the paths our entrepreneurs take to success, thematically reflecting how our economy has evolved," says *Inc.* President and Editor-In-Chief Eric Schurenberg. "This year there are far more social media and far fewer computer hardware businesses than there were, say, six years ago. But what doesn't change is the fearsome creativity unleashed by American entrepreneurship."

The annual Inc. 5000 event honoring all the companies on the list will be held from October 15 through 17, 2014 in Phoenix. Speakers include some of the greatest entrepreneurs of this and past generations, such as Michael Dell, Martha Stewart, host

of the CNBC show “The Profit” Marcus Lemonis, Container Store Founder and CEO Kip Tindell, and Chobani Founder and CEO Hamdi Ulukaya.

Methodology

The 2014 Inc. 5000 is ranked according to percentage revenue growth when comparing 2010 to 2013. To qualify, companies must have been founded and generating revenue by March 31, 2010. They had to be U.S.-based, privately held, for profit, and independent--not subsidiaries or divisions of other companies--as of December 31, 2013. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2010 is \$100,000; the minimum for 2013 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in Inc.'s September issue. They represent the top tier of the Inc. 5000, which can be found at <http://www.inc.com/5000>.
